Limited Warranty for Residential Doors General Information

Precision Door Service warrants to the original purchaser that Precision will repair or replace sections or hardware that is defective in material or workmanship pursuant to the terms of this limited warranty for the period from the date of purchase specified in the Limited Warranty Table on the reverse of this form. These warranties are for installations of complete Precision Premium Garage Doors (sections and hardware) for single-family residential, residential condominium or similar residential multi-family housing. They do not apply to commercial, industrial, or non-residential uses.

These warranties extend to normal usage when the door has been installed and maintained in accordance with manufacturer's instructions. The warranties do not apply to any damage or deterioration caused by abuse or misuse, failure to provide reasonable and necessary maintenance **as defined by manufacturer's maintenance and installation instructions**, improper installation or handling of garage door or electric garage door opener, acts of God, fire, hail, hurricanes, tornadoes, flood, failure of paint applied after manufacture and distribution, alterations and/or additions to door or atmospheric conditions, including, but not limited to: (1) areas subject to excessive salt atmosphere, (2) areas subject to fallout or exposure to corrosive chemicals, fumes, ash, cement dust, animal waste, or foreign substances, and (3) areas subject to water runoff from lead, copper, or galvanic metal flashing.

If within the applicable limited warranty period, the sections or hardware warranted are found to be defective upon inspection by authorized Precision Door Service personnel, Precision Door Service agrees to repair, repaint, or replace, at Precision Door Service's option, the defective door sections or hardware. Proof of purchase is required. Any charges for freight, removal, installation, or labor shall be the responsibility of the original purchaser. **REPAIR OR REPLACEMENT OF SPECIFIED PARTS IS THE SOLE REMEDY OFFERED BY THIS WARRANTY. IN NO EVENT, SHALL PRECISION DOOR SERVICE BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES CAUSED BY OR RESULTING FROM DEFECTIVE GARAGE DOOR SECTIONS OR HARDWARE.**

Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Limited Warranty for Precision Premium Steel Garage Doors

If your Precision Premium steel garage door sections rust through because of the paint finish cracking or peeling, Precision Door Service will repair or replace those sections for the warranty period listed in the Limited Warranty table above. Surface rust, chips or scratches in the paint, which result in cosmetic or surface corrosion, are not covered in this warranty.

If a Precision Premium steel garage door is located less than 1.25 miles from salt atmospheres, the limited warranty for paint finish color change and chalking is only covered for one (1) year from date of purchase by the original owner, and garage door surface rust or section rust-through is not covered.

A Precision Premium steel door is pre-painted with a factory-applied finish, but the door will accept a wide variety of commercially available **100% acrylic latex** exterior house paints, when applied in accordance with the paint manufacturer's recommendations. However, no warranty of paint compatibility is made or implied. **DO NOT USE OIL BASED OR ALKYD PAINT.**

For all Precision Premium steel garage door models, if any section, part or hardware, excluding glass, frames, inserts, and perimeter seal, is defective in material or workmanship, Precision Door Service will repair or replace it for the warranty period listed in the Limited Warranty table above. The hardware warranty applies to standard lift and low headroom applications only (not to hi-lift or vertical lift).

For all Precision Premium steel garage door models, if any glass window (not insert) is defective in material or workmanship, Precision Door Service will replace or repair the window that is defective for 10 years from the date of purchase to the original purchaser.
